Types of accommodation available:

Accommodation available in Robinvale

Shared Housing

Robinvale District Health Services has a limited number of Share houses, which are all located within walking distance of the Robinvale Campus.

The houses comprise of 3 bedrooms, bathroom, toilet, fully equipped laundry, lounge room including couch and television, fully equipped kitchen and dining room. Bedrooms contain either double or single bedding configuration with wardrobe facilities.

Each bedroom is rented to one occupant and the rest of the house is used equally by all house occupants.

Self-Contained Units

Robinvale District Health Services has a very limited number of self-contained units which contain Double Bed, 2 Seater Couch, Dining Table & 2 Chairs, Television, Refrigerator and En Suite. Units as such are attached to a shared accommodation house which contains fully equipped kitchen and laundry facilities.
Occupants have full access to the unit and shared accommodation house. Plenty of parking is available, however limited amount of sheltered parking is offered.

Accommodation available in Manangatang

Self-Contained Units

Located at our Manangatang Campus are semi-self-contained nursing quarters available for clinical placement students and staff. Each unit contains single bedding configuration and wardrobe.
A shared kitchenette is available for communal use.
Laundry facilities are offered by the Hospital.
