

Occupational Therapist- Full time

Robinvale District Health Service (RDHS) is a vibrant and dynamic rural health organisation providing health care services across the Victorian Mallee and parts of New South Wales. We operate under the Multi-Purpose Service (MPS) Model providing flexible and coordinated services which suit the needs of our communities. In addition to our role providing aged care and sub-acute services in Robinvale and Manangatang we also provide allied health services based on the primary care model of health ensuring we meet our communities health needs across the lifespan, address the broader determinants of health and empower individuals, families and communities to take charge of their own health.

RDHS works within a values driven care environment where our values of Respect, Professionalism, Care, Commitment and Collaboration influence the way we work and our vision to improve the health, wellbeing and strength of our communities.

An opportunity exists for enthusiastic, passionate and innovative Occupational Therapist to join our Health and Wellbeing Team. Our Occupational Therapist provides a range of evidence based services aimed at restoring, improving and maintaining the health of our diverse community. You will work collaboratively with our team of dedicated and supportive professionals to provide clinic and community based service delivery to children and adults. The role includes assessments and providing evidenced based interventions and recommendations to clients as well as liaising with families/carers and other relevant stakeholders.

The successful applicant(s) will work and learn as part of a collaborative, supportive and multidisciplinary team of health professionals as part of our Health and Wellbeing Team. In addition to being part of a workplace where staff are valued and included we offer the following benefits:

- A culture that promotes work-life balance
- Salary packaging/novated leasing
- 6 months RDHS shared accommodation at no charge.
- Professional development support
- Free parking
- Discounted health insurance
- Relocation expenses to be negotiated

We welcome graduate applicants and provide ongoing mentoring and support

Essential key selection criteria:

- Bachelor of Applied Science in Occupational Therapy with minimum 2 years' experience
- Current registration as an Occupational Therapist with AHPRA
- Eligibility for membership of Australian Association of Occupational Therapists
- Highly developed written and verbal communication skills
- Computer literacy
- Current driver's licence;
- Clear Police and Working with Children's Check
- Provide evidence of COVID 19 Vaccination
- Ability to work with diverse case load with both paediatric and adult clients in a range of different settings e.g. Aged Care, schools and Community Health Centres.

RDHS is an equal opportunity employer and we are committed to providing a working environment that values and embraces diversity and inclusion. Our organisation is committed to ensuring that our workforce reflects the community we serve.

In compliance with the Victorian Chief Health Officer's Mandatory Vaccination Directions, RDHS employees must be vaccinated against COVID-19 with TGA approved vaccine and must have evidence of their vaccination status. Annual influenza vaccine is also mandatory and depending on your role, RDHS may require other vaccinations.

Closing date- Until position is filled
